Dave:

I can't get in. Probably a blessing in disguise; I'm working from home today because my kids are off (e.g. three kids running around) and Jim would have to call in from his vehicle.

Let's try again tomorrow. If there is any way to avoid 3:00pm to 4:00pm tomorrow that would be fantastic, but if not we will figure it out.

Subject: RE: Follow up info

Hi,

Heads up that we are experiencing some Microsoft Teams issues at the moment and folks may have difficulty being able to connect. If it does not clear up by the 3:00 central time for our call, we will reschedule, probably for late tomorrow afternoon. Please try and connect, but if you can't, technical issues on our end are the reason.

My apologies.

Dave Cozad

Subject: Follow up info

Hi,

Thanks for attending the call today. Attached and below is information we promised to send. I will be sending an invite for 3:00 on Monday for the optional follow up call, where EPA and NDEE will make ourselves available for any questions or discussion.

Feel free to call or email if questions before then.

Have a nice weekend,

Dave Cozad
